Deacon Leodegarius 38pt

Life Transfer
 Once during any of his activations, the Deacon Leodegarius can transfer 1 DAM he has suffered to all friendly Avalonian miniature within 4 inches. He can only transfer 1 DAM to any given miniature per activation, but he can transfer as many DAM points as there are friendly miniatures within range.

- Sit down, venerable Father take a seat! Your unguent is working miracles at court. And our... hummm, queen has even sort of smiled at me during the dance! The Baron Ewen de Blathaig smiled.
- You are truly blessed by the Beathacrann, Sire... But that is not the only reason I have asked you here...
- Yes, yes... see here, Leodegarius, I would deem it most convenient, should a certain knight fall sick. Very sick indeed. And promptly...

Deacon Leodegarius

Corrosive Incense (0)
 2 Earth / 2 p / Auto
 he formula targets a friendly Avalonian within range. For its next combat roll, the target increases the amount of inflicted DAM by 1.

Enhancements :
 1 for an additional target
 2 for the effect to last until the end of the turn where the target inflicts DAM

Corruptive Bonding (3)
 3 Earth / 8 p / Auto
 The formula targets one friendly and one enemy miniature within range. The friendly miniature suffers an amount of DAM equal to the number of remaining hit points on its life line. The Avalonian player then chooses any improvements. He then distributes a number of DAM points amongst the enemy target(s) equal to the number of yellow and red hit points that were inflicted on the friendly miniature.

Enhancements :
 2 for one additional enemy target within range,
 3 for two additional enemy targets, 4 for three additional enemy targets
