Avalonian recruits (2) 10pt

*What? Charge in there?! I beg your pardon m'lord, but didn't you see that Khaliman just cut our finest knights to pieces? I'm just a lowly commoner, sir; not a noble with a sword master teaching me to fight before I could walk! I only know how to fight in a tavern brawl, usually with a piece of wood or rotten meat! I won't be able to stop this Ghulam, why should I die for nothing?*

*- Not even for an extra 10 daomings and a month of free ale in the tavern of Lady Morwen ?*

*- That's a deal, sir! FOR THE BEATHA-CRAAAAAAAAAANNNNNN!!!*
